

**Designed for early intervention.**

The Nessie provides assistance with a wide range of positioning options for your child including:

- Supine (lying on your back)
- Prone (tummy time)
- Long Sitting
- Side Lying
- Side Sitting
- Crawling on all 4's
- Straddle Sitting

Nessie is the perfect companion for any child in need of assistance with proactive positioning and functional movement. Whether working with a therapist or practicing at home, the Nessie offers the clinical benefits the child needs, with a look that is warm, fun and engaging.
