

Shown with optional
Head and Lateral Support

Features

- Low voltage 14.4V "Smart" battery lifts up to 300 lb. This safety mechanism prevents the chair from lowering when there is not enough power to fully raise after use
- Suction cups keep lifter from sliding
- Back gradually reclines from 8° off of vertical at highest position to 22° at bottom position (seat remains flat)
- Side flap for easy lateral transfer
- Easy to use soft-touch control
- Latex and silicone free
- No tools required for installation
- Easily disassembles for storage or transport

ACCESSORIES

Lateral Head and
Trunk Support

Anti-Slip Covers

Padded Back Support

Swivel and Transfer Aid

Shown with Hi-Back
Wrap-Around Support
