

Play, engage and participate on the go with the Miko pediatric mobility chair. Available in 3 fun colors, the Miko offers a sporty frame, stylish Flexi seating, and superb positioning support for children with limited mobility.

STANDARD MODEL FEATURES

- **Tilt in Space:** tilting the chair offers proven pressure relief by redistributing the pressure of the child's back, shifting away from posterior locations
- Reversible Seat Position with Quick-Lok: our patented technology allows the seat to be easily moved from forward to backward position. Quick-Lok release allows for ease of transport
- **Postural Support:** with tilt-in-space and recline features, the Miko with Flexi can be adjusted to multiple angles, making sitting for a long period more comfortable for the child. Armrests are adjustable and removable.
- Enhanced, Complex-Style Seating Design: includes contoured adjustable width and depth cushions
- **Transit Brackets:** included as standard on each model. The Miko is safety tested for transportation
- Included as Standard features: angle adjustable push handle, fold-away canopy, locking swivel casters, rear wheel lock and under seat carrier

Fire Truck Red

UPHOLSTERY

Jet Fighter Blue

Punch Buggy Pink

ACCESSORIES

Rearward Facing Seating

Frame folded for easy transport and storage

All Terrain Option

Oxygen Tank Holder

Angle Adjustable Footbox

Upper Extremity Support

Poziform Belts & Harnesses
